

How to insert a YouTube video in RealSutra

The screenshot shows a YouTube video player for the channel 'underdoganimations'. The video features a cartoon yellow character with a red hat and a magnifying glass, set against a snowy background with falling snow. The video player includes standard controls like play, volume, and a progress bar showing 0:00 / 1:00. Below the video, there are interaction buttons: Like, Dislike, Add to, Share, and a flag icon. The video has 240,886 views. A share menu is open, displaying the video URL 'http://youtu.be/dfJ6oCdjY9Y' and options for Embed, Email, Facebook, Twitter, and a '+1' button. An arrow labeled '1' points to the 'Share' button. Another arrow labeled '2' points to the 'Embed' button. A third arrow labeled '3' points to the embed code box, which contains the following code:

```
<iframe width="420" height="315"
src="http://www.youtube.com/embed/dfJ6oCdjY9Y"
frameborder="0" allowfullscreen></iframe>
```

Below the code box, there is a note: "After making your selection, copy and paste the embed code above. The code changes based on your selection."

1. Click on "Share"
2. Click on "Embed"
3. Copy all the text in the box

Next, go to RealSutra and click on “Edit Web Page”
